RUN DOWN WITH
DYSPEPSIA
STOMACH
Liver
AND HEART
AFFECTED.
Almost in Despair
But Finally
CURED
By Taking
AYER'S PILLS

"For fifteen years, I was a great sufferer from indigestion in its worst forms. I tested the skill of many doctors, but grew worse and worse, until I became so weak I could not walk fifty yards without having to sit down and rest. My stomach, liver, and heart became affected, and I thought I would surely die. I tried Ayer's Pills and they helped me right away. I continued their use, and am now entirely well. I don't know of anything that will so quickly relieve and cure the terrible suffering of dyspepsia as Ayer's Pills."—JOHN C. PATTERSON, Brodie, Warren Co., N. C.
